

Remarks

The Examiner has asked Applicants to elect a single species with which to begin examination. In particular the Examiner has asked for selection of one of the formulae listed as the photolabile compound of component d).

Applicants hereby elect the compounds of formula I as the species of photolabile component d) with which to begin examination. The elected invention is encompassed by claims 45, 46, 48-57, 59, 60 and 67. Applicants kindly ask that upon finding the elected species allowable, that the examiner consider the remaining material of claims 45, 46, 48-57, 59, 60 and 67.

Respectfully submitted,
